Attn: Chemical Right-to-Know Program

Dear Ms. Whitman:

On behalf of the member companies of the Aromatic Consortium, the Flavor and Fragrance High Production Volume Consortia is pleased to submit the Test Plan and Robust Summaries for the chemical category designated the "Benzyl Derivatives" to the HPV Challenge Program, AR-201. The Aromatic Consortium has chosen not to belong to the HPV Tracker System for submission of test plans and robust summaries. We are therefore submitting the test plan and accompanying robust summaries directly to EPA to make available to the public.

This submission includes one electronic copy in .pdf format. Hard copy can be provided upon request. The EPA registration number for the Aromatic Consortium is [REDACTED].

Please feel free to contact me with any questions or comments you might have concerning the submission at [tadams@therobertsgroup.net](mailto:tadams@therobertsgroup.net), [tadams@chemintox.com](mailto:tadams@chemintox.com) or 202-331-2325.

Sincerely,
